GFM Organisational Structure AY26-27

Executive Leadership Team

The Executive Leadership Team functions to deliver:

Academic Excellence by enhancing curriculum intent, implementation, and impact in our school, determining strategies to secure marginal gains while monitoring priority actions, ensuring targeted support for rapid improvement.

Operational Excellence by supporting GEMS' growth trajectory through the Recruit–Retain–Retire talent management approach, retaining students through risk–focused efforts, fostering deep customer connections with a growth mindset, and leveraging technology to amplify the operating model.
