

10th September 2025

Dear Parents, Teachers, and Back Office Staff,

It is with great pleasure and a very full heart that I welcome you to another wonderful academic year at GEMS Founders School Al Mizhar.

As the Chairperson of the Local Advisory Board, I feel truly honoured to be part of a community that is so much more than a school. It is a family made up of students, parents, teachers, and staff, all working together with one shared purpose: to give our children the very best opportunities to learn, grow, and thrive.

To our returning families, welcome back! Thank you for your continued trust, support, and involvement. Your presence and contribution make such a difference to our school community.

And to all our new families, a very special welcome to you. Starting a new school can bring excitement, a few questions, and sometimes a little uncertainty. Please know that you are not alone. We are here to listen, support, and help you feel at home. I hope you will quickly feel that you are not simply joining a school, but becoming part of our GEMS Founders family.

To our returning teachers and staff, thank you for the care, patience, and dedication you bring to our children every day. And to those joining us this year, welcome! We are delighted to have you with us and look forward to the new energy, ideas, and experiences you will bring to our community.

As we begin this new chapter together, I hope we continue to build a school environment where every child feels valued, included, encouraged, and proud of who they are. Let us celebrate their successes, support them through their challenges, and give them the confidence to dream big.

I also believe that a strong school community begins with strong relationships. So, let us continue to listen to one another, support one another, and work together with kindness and respect. Every parent, every teacher, and every member of our staff has an important role to play.

I look forward to meeting many of you throughout the year, hearing your ideas, sharing your celebrations, and working together to make our school an even stronger and happier community.

Thank you for allowing me to serve as your Chairperson. I am excited for the year ahead and, most importantly, for all the wonderful moments our children will create along the way.

Wishing you all a beautiful, successful, and memorable academic year.

With warmest wishes,

Fida Aoun
Chairperson – Local Advisory Board
GEMS Founders School Al Mizhar
